

ADRES Doctoral conference 2023  
Paris, 27-28 January 2023

## Call for papers

**We are pleased to announce that the 2023 Annual Doctoral Conference of the Association for the Development of Research in Economics and Statistics (ADRES) is organized at the University of Paris Dauphine - PSL on January 27- 28, 2023.**

The conference aims to stimulate exchanges between young economists, such as PhD students and post-doctoral researchers, and experienced researchers to discuss scientific contributions and get in touch for future academic positions. The conference will include three plenary sessions with invited keynote speakers and about 40 contributed papers by PhD/post- doctoral students.

### SUBMISSIONS

The conference is intended for Economics, Econometrics or Finance **PhD candidates or young post-doctoral researchers applying for a position in France/Europe this year.**

Senior researchers are welcome to attend. We will provide facilities to encourage meetings between recruiters and applicants. Submissions are welcome in all areas of Economics, Econometrics and Finance.

### JOB MARKET

Office space will be made available to senior researchers willing to hold job-market interviews during the conference. Universities and other hiring institutions can post job-market announcements on the conference website, and we will provide them with access to candidates' CVs.

### Online submissions of full-papers:
